PRESS RELEASE | February 23, 2009

Trussway Announces New President of BSG Framing Company

Houston, Texas; February 23, 2009 - On behalf of Trussway, Ltd., Jim Thomas, President and COO, announced the selection of Stephen Valle as the new President of BSG Framing Company. Mr. Valle is a well rounded construction-industry operations executive with a proven ability to develop and implement turnaround plans. Most recently he served as Senior Vice President of Operations for SelectBuild Florida (BMHC) where he played a key role in the planning and development of all shell construction operations throughout the state of Florida. With a Bachelor's of Science degree in Civil Engineering from the University of Massachusetts-Amherst, Mr. Valle has served as Research Engineer and Product Manager for WR Grace & Co. Construction Products Division and Director of Marketing for CSR Rinker Materials Corporation. Mr. Valle has also owned his own karate school and is a Nana-dan 7th degree black belt and Shihan Master Instructor. Trussway welcomes this newest member of the executive leadership team.

ABOUT TRUSSWAY/BSG FRAMING COMPANY

Trussway is one of the largest building products manufacturing/construction services companies in their category throughout the United States. Trussway provides building products for any project, ranging from complex to simple, including large multi-family, commercial or single family homes.

BSG Framing Company (BSG) is a Trussway company created to provide complete turnkey services for all your framing needs including project management, manufactured products, labor, lumber, hardware, and funds management.
