FOR IMMEDIATE RELEASE

Trussway announces the opening of Pennsylvania and California sales offices.

HOUSTON, TX – February 7, 2006

Trussway, Ltd. today announced the opening of two new sales offices. Offices in State College, PA and Roseville, CA will allow the company to better service their existing customers and develop relationships with new customers. Projects will be sold and serviced from these locations and the eight existing Trussway plants stretching from Virginia to Arizona will design, build and ship roof trusses, floor trusses and components. “This is part of Trussway’s continuing strategy of becoming a national supplier of framing components” said Bill Adams, President and CEO of Trussway, Ltd.

The State College, PA office is headed by Shawn Kelly. He has over thirteen years industry experience in design, estimating and sales. Kelly’s primary market responsibility will be Pennsylvania, New York and New England. He can be reached at 814-235-0770 or skelly@trussway.com.

The Roseville, CA office will be headed by Patrick Kinstler. Kinstler has been in the multi-family truss business for over nineteen years and will lead the Trussway market expansion efforts in the northern California and Reno, NV markets. He can be reached at 916-677-1837 or pkinstler@trussway.com.

ABOUT TRUSSWAY

Trussway Ltd is one of the nation’s largest manufacturers of structural building components. It sells designs and produces roof and floor trusses, wall panels and other products for the apartment, military and university housing markets. The company’s multi-family plants are located in Houston, TX, Fort Worth, TX, Phoenix, AZ, Atlanta, GA, Orlando, FL and Fredericksburg, VA.

The Company also operates two single family manufacturing plants, one in Grand Rapids MI and one in Michigan City, IN.

The company has 1300 employees and sells to the majority of general contractors serving the multi-family construction market in the United States.
